Hampstead, London
June 2nd 1869

My dear Mr. May.

My friend Mr. Lupton
of Leeds requests an introd.
duction to you for his bro.
ther, as you will see by
the inclosed letter. I hope
Mr. John Lupton will
call on the A. S. & you can
with advantage give him
I am sure you will be satisfied
that you will not mislead

him in the information
you may give him as to
the Abolition party.

I have been 8 or 10 days
in London attending the an-
nual meeting of the Lin-
nean Society, a soirée at
the Duke of Devonshire's
the Fellows of Chemical,
and various meetings con-
nected with Unit: I the
"Argus" contains a good
Report, I will send you one.

Mr. Jos. Heywood sends
remembrances. He heard

nothing for or against, or touching
the Colonization Movement
further, & only know of a little
of the Free soil movement.
Mr. W. Hicks [illegible] spoke
in high commendation
of the Hon. Asst. Minister
I was on the eve of leaving
alluding to the A. S. movement,
but he warmly [illegible]
[illegible]: had he said one word
in disparagement of the
Colon[illegible] I should at once have
said how [illegible] incompetent
& prejudiced [illegible] critic the

wou.

I thank Lucy and ye
a note from Mr Lalor as w
your last letter to me: but
I send in afternoon this
reaching you that day,
will excuse.

Sincerely Yours

J. B Lalor
